

## The Voice of the Arts

We believe that those who study the arts do better in school and have a more well-rounded life experience. TACA celebrates children and adults by offering a creative outlet for those who want to learn a skill in the arts and for those who just want to be entertained!

We are proud to give young people a platform to embrace their talent in the arts. Some of TACA's alumni have gone on to pursue careers on Broadway, at Second City, as Young Americans and playwrights, not to mention those who now teach music, dance, art and theater to the next generation of arts lovers!

# Help us to foster the arts in our community...

## About Us

Founded in 1976 and formerly known as the Caro Arts Society, Thumb Area Center for the Arts (TACA) is a nonprofit 501(c)(3) arts organization dedicated to serving the Thumb area by providing our communities with enriching arts experiences. The following is a brief overview of just some of TACA's contributions to area arts:

### DANCE

From clogging to tap to hip hop belly dancing, the Dance department has a history of unique classes and workshops for any level of experience.

### MUSIC

An Annual Community Christmas Concert tops the list of a rich and long-standing tradition of offerings which will soon be joined by a youth show choir!

### THEATER

Since 1976, TACA has produced at least two dinner theater shows per year. In 2003, an annual Summer Youth Theater was founded, and has grown exponentially each year!

### VISUAL ARTS

Art classes and workshops for both children and adults taught by regionally and nationally renowned artists accompany the annual Student Celebration, which showcases youth art created in school.

### Other recently promoted programs:

Annual Arts Scholarships  
Annual Irish Ceilidh (Celebration)  
Unique or Antique Sale  
Broadway Revue Benefit Concert
